

Early College High School students are required to wear their student ID at all times while on campus. The initial student IDs and lanyards will be provided free of charge. Replacement IDs and lanyards will be available as follows:

Replacement ID: \$20

Replacement Lanyard: \$10

ENFORCEMENT

ECHS and Odessa College employees are responsible for ensuring students wear their student ID. The ID must be visible, as appropriate. Students will be required to wear IDs in all lecture and student support spaces including cafeteria, sports center, LRC, etc.

In the event that it is unsafe to wear the ID in a lab or instructional setting, including physical/fitness activities, instructors or staff will require students to remove ID and place on backpack for the duration of the class. Faculty should remind students to put ID back on at the end of class.

Employees do have the right to request that a student display their ID.

REPORTING

Students should not be dismissed from class if they report to class without their student ID. Students who report to college classes without appropriate student ID must be reported to their respective school principal immediately following the end of the class. ECHS principals will administer appropriate conduct sanctions.

TEMPORARY IDs

Students who present without an ID, must report to the front office of their respective early college high school to obtain a temporary ID. Replacement IDs are available at the Wrangler Express Center. The replacement fee is \$20.

STUDENT CONDUCT SANCTIONS

Students who do not comply with ID requirements will be subject to discipline including termination of privileges and may result in dismissal from the ECHS.
