## Welcome FROM THE PRESIDENT DR. GREGORY D. WILLIAMS

Welcome to Odessa College! You are about to begin one of the most exciting times in your life and everyone at Odessa College wants to help you make your experience a great one. Orientation is an opportunity to learn how to navigate campus and introduce you to the OC community. You will begin to build the network of resources that will help you start your OC journey on the right path. By the time you leave orientation, you will be well on your way to becoming a successful Wrangler.

Odessa College is a special place. We are committed to academic excellence. We encourage you to get involved in campus activities and take full advantage of everything OC has to offer. Your college experience will be what you make it and your opportunities will only be limited by the limits you place on yourself. Take advantage of these opportunities on the way to your destination - Graduation.

Always remember that Odessa College is here for you!

## BAAS Degrees

### Bachelors of Applied Sciences and Arts

This is a degree that is typically offered to those who have completed their Associates of Applied Arts & Sciences (AAS) in a career/technical/vocational program and have decided to further their education by seeking a baccalaureate degree in a similar field as their AAS.

## Blue & Brew

An SGA event that offers free coffee twice a month while SGA officers engage with OC students and gather feedback to create change.

## CAB

### Campus Activities Board

A group of students that plan social, educational, and cultural activities for fellow students under the guidance of the Student Life Office. All OC students are welcomed and encouraged to join the team.

## CCN

### College Central Network

A network available to OC students, alumni, and employers. The network assists you in creating a resume, aiding in your job search, and finding a mentor in your own desired career field.

## DTS

### Drive to Success

Every year Odessa College gives away a brand NEW Ford Mustang! DTS allows every OC student the opportunity to earn points that will be entered in a random drawing for the Ford Mustang. Earn points by attending OC events, sporting events, student organization meetings, or volunteering.

## FabLab

Located on the Odessa College campus, the FabLab is part of a global movement to transform learning discovery by providing everyone with the tools and resources from 3D printers to computer controlled laser cutters. Access is free for students and is open to the Odessa community Thursday evenings.

## Learning Framework

A one credit, 8 week course designed to provide students with the tools needed to persist and succeed at OC. New and current degree-seeking OC students with fewer than 12 hours are required to pass Learning Framework.

## LRC

### Learning Resource Center

From understanding your class content to discovering resources, meeting space for class projects, to exploring skills and strategies for success, you will find a wide range of support in the LRC. General tutoring is offered here, call ahead to check tutoring availability: (432) 335-6639.

## NSLS

### National Society of Leadership & Success

The nation's largest leadership honor society. Students are selected by their college for membership based on either academic standing or leadership potential. Candidacy is a nationally recognized achievement of honorable distinction. NSLS provides a step-by-step program for members to build their leadership skills through participation at their campus or online.

## OC ID

### OC Student Identification Number

This is the 7 digit number beginning with a "0" that is assigned to you upon your acceptance into the college. EX - 0123456

## OER

### Open Educational Resources

Freely accessible, openly licensed text, media, and other digital assets that are useful for teaching, learning, and assessing as well as for research purposes. Only offered through certain courses.

# Wrangler Lingo

## PTK

### Phi Theta Kappa

This honor society provides opportunity for the development of leadership, service, a space to exchange ideas, and intellectual climate. Each candidate for membership must have completed 12 semester hours of credit course work, with a GPA of 3.25 on a 4.0 scale. A cumulative GPA of 3.0 must be maintained to remain in good standing.

## RSO

### Registered Student Organization

A variety of clubs and organizations including academic, social, special interest, and honorary societies are available to the students through Student Life (SCC 232). If you would like to start a new organization, contact the Student Activities Director to begin the process or get the start-up information from the Student Organization Handbook. For more information email: studentactivities@odessa.edu.

## SGA

### Student Government Association

A governing body challenged with the role of representing students in the decision-making processes of the college. SGA gives every student the chance to practice and develop leadership skills while representing their peers and improving OC and student life. Students involved in Student Government have the chance to interact with the college administration and faculty to work in a collaborative manner to better the institution.

## STEM Success Center

Located in Wood Math & Science, Technology, Engineering or Math course. Call ahead to set an appointment if you are needing assistance with a specific course of study, (432) 335-6537.

## Student Handbook

Located on the Odessa College website under the "Current Students," tab, this is your College Survival Guide. It outlines your rights and responsibilities as a student in and out of the classroom. Be sure to visit it frequently!

## TouchNet 360

Odessa College now has a digital ID card so that you never have to keep up with a physical ID. Keep your ID on your phone and with you at all times by downloading the TouchNet 360 app and stop by the Wrangler Express Center to have your picture taken.

## Two Claps & A Lasso

Our Wrangler Spirit Chant, we yell out "Two Claps & A Lasso," at sporting events, pep rallies, and other campus celebrations. Listen out for our chant!

## WEC

### Learning Resource Center

A one stop shop, here you will find all the help you need as you navigate your OC career. At the Wrangler Express Center you'll find: Admissions, Registration, Records (transcripts) and MORE!

## Willie the Wrangler

As the Odessa College mascot, Willie the Wrangler is a busy mascot! You can catch our mascot supporting the Wranglers at athletic, college and community events often with lots of treats and OC swag!

## Wrangler Wednesday

Tradition in the making - keep a look out for the Blue Zone the FIRST Wednesday of every month for goodies and networking opportunities!

## Writing Success Center

Located in Wilkerson Hall Room 106, provides tutoring on all of your writing assignments. Call when course specific assistance is needed (432\_335-6562). Printing is available here.

ODESSA COLLEGE IS PROUD TO OFFER A  
**Bachelor of Applied Arts and Sciences (BAAS)**  
Automation, Entrepreneurship, Occupational Health and Safety Management,  
Hospitality Management, Criminal Justice, Early Childhood Education, and Teaching

The BAAS program provides an opportunity for students to develop expertise in more than one discipline or career objective. Students learn theory and practice from industry leaders and innovators that hold masters and doctorate degrees. Our faculty combine professional experiences and firsthand knowledge into an academically rigorous curriculum that prepares students with real world skills that employers want.

To be eligible for the BAAS degree program you must have:

- General Admission to Odessa College
- Compliance with Texas Success Initiative requirements
- Completed an approved AAS degree or be within 15 credit hours of completion
- Cumulative GPA of 2.0 or better

The BAAS program has an established pathway that provides a timeline to comfortably complete the program in 2 years. However, we understand that every student's academic journey is different, so we provide flexibility in the program.

## BIT Behavior Intervention

The Behavior Intervention Team (BIT) provides a proactive and supportive multidisciplinary team approach to prevention, assessment, and intervention of situations or individuals that may pose a threat to the safety and well-being of the campus community.

The BIT is chaired by the Executive Director of Student Life and meets regularly to discuss student cases and recommend appropriate courses of action to keep distraught students on a continued path to success.

It is a primary goal of the BIT to assist students, faculty, and staff with early interventions to not infringe upon the learning environment any more than necessary.

The BIT also makes recommendations to the campus and other personnel which may improve the physical and emotional health for all students.

## Sexual Harassment & Title IX

Odessa College is opposed to any and all forms of sexual discrimination or harassment within the college community, and we will take the steps necessary to stop such conduct.

Determining what constitutes sexual harassment can vary according to individual circumstances, but it can be described in general terms as unwanted or unwelcome sexually-oriented behavior, such as physical actions or verbal comments, which adversely affects the working or learning environment of an individual.

Federal law requires that the College appoint a Title IX coordinator, who is responsible for serving as a resource person on sexual harassment issues and all other forms of discrimination.

The Executive Director of Student Life is the designated harassment prevention/Title IX coordinator. The Executive Director of Student Life will serve as an advocate for students in distress or a person of contact to initiate campus investigations.

### College Life Coaches

Brianna Urias  
burias@odessa.edu | (432) 335-6312

A College Life Coach (CLC) is someone who serves as an added layer of support to ensure students are successful on their journey to achieving their overall goal. Communication is key in making sure students have access to tools, support, and staff members so that every student's college life experience is a success.

### Licensed Professional Counselors

cares@odessa.edu

Individuals may decide to seek counseling for a number of reasons. It's not unusual to feel overwhelmed while trying to work through personal problems - to feel "stuck" in a pattern of behavior. When issues arise that begin interfering with one's life - whether inside the classroom or in other aspects of day-to-day activities - counseling offers a non-judgemental, safe environment in which to discuss those issues.

# Wrangler Resources

The Odessa College Drive to success program is led by the Student Life department, and is the ultimate incentive program. Drive to Success was created to encourage student engagement by giving students the opportunity to earn prizes for doing things that are proven to increase overall success in college. Drive to Success is open to all Odessa College students, regardless of modality, who are enrolled at least half-time (6 credit hours or more) in the current semester.

To be eligible for prizes, students must be in good academic standing with a minimum 2.0 cumulative GPA, and no major disciplinary violations. All students who are enrolled in at least 6 credit hours are automatically included in the program, with points awarded based on the number of credit hours taken in the current semester. Points are earned through enrollment, or by signing in with Drive to Success at campus events.

### Points are awarded as follows:

Each year in the spring, five eligible students, drawn at random, participate in the Drive to Success Grand Finale which culminates with one of the five students winning the grand prize of a Ford Mustang. The event is live streamed on social media and broadcast live on a local TV station.
