Louis Gonzalez
Continuing Education Associate Dean

Interested in Teaching?

We are always looking for Continuing Education instructors who enjoy sharing their knowledge and expertise with others. If you are interested in teaching for us, give us a call at (432) 335-6580.

Odessa College Bulletin

The Odessa College Continuing Education Schedule is published three times per year by the Odessa College Marketing & Communications Office, 201 W. University, Odessa TX 79764. For printed copies, please contact the Continuing Education Office at (432) 335-6580.

Continuing Education Printing Disclaimer

This schedule has been carefully prepared to assure that all information is accurate and as complete as possible. However, the college reserves the right to make changes that may result in deviations from the information in the schedule content.

Odessa College Continuing Education Mission

The Odessa College Continuing Education Department impacts individual, community, and economic enrichment through lifelong learning activities that promote personal and professional development.

Odessa College does not discriminate on the basis of race, sex, color, national origin, disability or age.

Continuing Education (CE) FAQs

Are there any special requirements to register for CE classes?

Some CE classes do have special requirements, and, therefore, you must register in person. These classes include all Health Sciences classes, Commercial Truck Driving, and Driver Education.

How do I pay for classes?

Payment is due upon registration. If payment is not received within 24 hours after registration, your registration may be purged. Walk-in registrants may pay in person with cash, check, or credit card. Those who register by phone may use a credit card. Students who fax or email their registration should include credit card payment information on the form.

If you register online, you will be prompted to pay with a credit card during the registration process. If you choose not to pay at this time, your registration will not be processed.

When should I register?

Registration for CE classes begins when classes are published online or in print. Registration continues up until the first day of the class or until the class fills. Early registration is encouraged as some classes fill quickly.

How are CE classes different than credit classes?

CE classes differ in four primary ways.
1. While some classes may have some requirements to fulfill prior to registering, you do not have to apply to the college in order to enroll.
2. Our classes start throughout the year, rather than at set times during a college semester.
3. Our classes are generally fast-track, meaning that they are shorter in length in order to accommodate your schedule and your need for skills you can use immediately.
4. For classes that you successfully complete, you will receive a certificate of completion and in many cases you will also be awarded Continuing Education Units.

What is a CEU?

A CEU (Continuing Education Unit) is 10 contact hours of participation in an organized, non-credit continuing education experience. Therefore, one CEU is awarded for every 10 hours of training completed.

How am I notified if a class is cancelled?

There are two primary ways—by phone and by email. Therefore, it is very important that in filling out your registration form, you list a current phone number and email that you check frequently.

What about a refund for a class that cancels or that I do not attend?

Classes are subject to change without notice. For classes/programs cancelled by the college, the college will refund 100 percent. To receive a refund for classes you do not attend, you must submit a Drop Form prior to the class starting. For withdrawals, the college will refund 100 percent if the Drop Form is received three or more business days prior to class start. Additionally, for classes/programs meeting 65 hours or more, the college will refund 75 percent if the Drop Form is received less than three business days prior to class/programs start and prior to the 3rd class meeting. No refunds will be given thereafter. Refunds will be issued by check in 10-14 business days.

What if there is inclement weather?

In the event of inclement weather, visit the Odessa College website at www.odessa.edu for closure information.

What about parking?

When you register, you will receive further direction on whether additional parking passes may be required. Parking in the Continuing Education parking lot is open and does not require a pass (NOTE: Employee Parking is designated by blue lines).

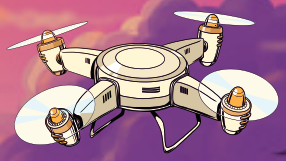
ODESSA COLLEGE

College for Kids



Ages 10 yr-14 yr
$200/week
Monday-Thursday

Week 1 June 4 – June 7
Week 2 June 11 – June 14
Week 3 June 18 – June 21
Week 4 June 25 – June 28

***Students will choose 2 classes for the week,**
1 class for AM
1 class for PM

Science

Science Is as Easy as a Piece of Candy
Use M&Ms to learn how easy science can be to create testable questions about the natural world.

Testing Sheldon Cooper (Big Bang Theory)
With a claim by Sheldon Cooper on "The Big Bang Theory", students will test that claim.

Why Did the Water Rise?
Observe a phenomenon to test your intuition on the causal effect. Use this to crush soda cans with air.

Cheek Swabs (Learning the Microscope)
Rub your cheek with a toothpick to look at cells under a microscope.

Shark Dissection
Use a shark cadaver to study its anatomy. Learn how sharks "fly" underwater and how their muscles move.

Strawberry DNA
Extract DNA from strawberries to study under a microscope.

CFK 2000-224	Jun 25-28	1-4:30pm

Culinary Arts

From-Scratch Pizza
Prepare sauce and dough with knife cuts.

Ice Cream Sandwiches
Baking fundamentals with cookies.

Chocolate Bowl Desserts
Chocolate work and dessert assembly.

Pasta
Cooking pasta correctly, knife cuts, and preparing Alfredo sauce.

CFK 2000-205	Jun 4-7	8:30am-Noon

OC Robotics Workshop

MISSION: To ignite the interest of 9th and 10th grade students in STEM studies and STEM careers via Robotics

STEM EXPLORATION
- Explore STEM careers and technologies
- Robotic Competition

Five reasons students love Robotics Workshop
- Design innovative, cutting-edge robots (VEX)
- Learn programming and coding
- Celebrate diversity and make new friends
- Learn and have fun in a safe environment
- Engage in technology training

Introduction to Robotics introduces VEX robot construction and programming, stressing teamwork.

Objectives
1. Help math skills with focus on procedural fluency
2. Strengthen science skills
3. Learn the engineering process

Instructor: **Armin Rashvand**
Department Chair,
Energy & Technology

CFK 2000-241	Jun 4-14	M-Th	8:30am-4:30pm	$400
CFK 2000-242	Jun 18-28	M-Th	8:30am-4:30pm	$400

Art and Math Course Projects

Fractals: Symmetry, Color Theory
- Art elements (line, color, balance) and symmetry, unity, balance, fractions

Units of Measure 2D/3D Figures, Perspective
- Inch/centimeter conversions and proportions
- Beginning art elements and value shading

Geometry, Measurement of Angles Color Theory
- Calculation of angle measurements and fractions based on a color wheel/theory
- Color mixing (including vocabulary and examples)
- Shapes and angles to apply art to real world scenarios (Drafting, Architecture, Interior Design)

Batik Painting
- Promotes critical thinking and elements of design (shape, line, color theory, Imagery)

Papel Picado Symmetry Squares
- Symmetry, elements of design (color, space, line)
- Translations, rotations and finding perimeters with missing unit shapes

Fibonacci Sequence: Tie Dye Shirts
- Examine mathematical implications of Da Vinci's Fibonacci Sequence and look at examples of this in nature.
- Students will apply to T-shirt dying by creating colorfully unique patterns on shirts to take home.

Geoboards
- Explore Geometric ideas like area and perimeter and use of line and color through sculpture.

Pop Art Cubes
- Promotes an understanding of space and volume to calculate the volume of a cube.
- Helps kids understand that a square can be a rectangle but a rectangle can NOT be a square.

Personal Enrichment

Ceramics – Handmade Pottery

24 Hours, 2.4 CEU's

Learn the skills of coil, slab, bisque, glaze, sawdust, raku firings and wheel techniques.

Instructor: D. Asakawa

ACA 7002-101 Jun 4-27 MW 6-9pm SH 112 $174

Cake Decorating I

24 Hours, 2.4 CEU's

Learn basic cake decorating skills! Students will need to bring own supplies/materials. Call the Continuing Education Office at 335-3580 for supplies list.

Instructor: M. Corrales.

FCTR 1015-101 May 14-Jun 11 MW 6-9pm ET 138 $144

FCTR 1015-102 Jun 18-Jul 16 MW 6-9pm ET 138 $144

Cake Decorating II

24 Hours, 2.4 CEU's

Learn intermediate cake decorating skills! Students will need to bring own supplies/materials. Call the Continuing Education Office at 335-3580 for supply list.

Instructor: M. Corrales.

FCTR 1015-102 Jul 30-Aug 22 MW 6-9pm ET 138 $144

As part of our Continuing Education Program, Odessa College offers a range of Health Career courses, taught by qualified professionals in both the classroom and clinical settings.

Are there any requirements before I start class or clinicals?

To protect our student's health and the health of patients, OC Continuing Education has contracted with an outside vendor to support and secure your background and immunization information.

This verification includes a system of required background checks, immunization verifications, and drug testing for all healthcare students. Health Career students must meet industry standards in these areas to assure that, upon successful completion of the program, students will be employable in the highly-regulated healthcare industry. The fee for this product only (Verified Credentials Health checks) will be assessed as a course fee at the time of registration and will range from $28.40 to $117.80 based on whether the student has already participated in this process at an earlier date.

Details regarding the requirements will be provided to students at the time of registration. The fee for this product only (Verified Credentials Health checks) will be assessed as a course fee at the time of registration and will range from $28.40 to $117.80 based on whether the student has already participated in this process at an earlier date. For other requirements, the Health Sciences programs admissions checklist can be found at:

https://www.odessa.edu/community/ce/professional-development/health-careers/index.html

Do I need to pass any tests before I register?

In addition to the above, if registering for the Certified Nurse Assistant, or Dental Assisting, students are required to provide a copy of their TSI results and should score 342 or higher. Equivalents to the TSI will be accepted. Some programs may need a GED to meet licensing requirements.

Do I have any costs outside of tuition?

Tuition costs are noted with each program. In addition to the tuition costs, students will be responsible for verified credentials health and background checks as described above, together with books, uniforms, travel costs, and professional equipment.

A complete list will be provided at the time of registration.

All required textbooks are available at the Odessa College Campus Store.

What happens after I finish the program?

Course completion does not guarantee licensure as this is governed by outside agencies. If you successfully complete the program with a grade of 70% or higher, you will receive a certificate of completion from Odessa College.

How do I register?

The current process for registration is as follows:

- Meet with a Continuing Education representative and provide verification of identity (Current Photo ID) and all documentation and immunizations required.
- If registering for Certified Nurse Assistant, or Dental Assisting, also provide copy TS1 Reading Results or an equivalent.
- Register for desired **PROGRAM**.
- Pay for **PROGRAM** and Course Fees, or make payment arrangements. Some scholarships are available AND must be requested at registration.
- Complete Health Careers Verification process no later than one day in advance of the program start unless arrangements have been made with the Director of Health Sciences in writing.

All courses are subject to change without notice.

Health Careers Programs

CPR Classes 4 Hours, .4 CEU's

For healthcare providers and professional rescuers to learn lifesaving respiratory skills and cardiac emergencies. This course can be repeated multiple times to improve student proficiency.

EMSP 1019-101	Jun 4	M	1-5pm	HSB 222	$39

Certified Nurse Aide (CNA) Program

112 Hours, 11.2 CEU's

With rehabilitation and long-term care needs of the elderly, this course delivers the curriculum of Department of Aging and Disability services (DADs), stressing the importance on compassionate care.

Program Cost: $622 (Includes Texas State Testing Fee of $104.50)

This program consists of the following classes:

Certified Nurse Aide Applications 72 Hours, 7.2 CEU's

Learn the knowledge and skills to provide basic care to residents of long-term care facilities. Topics include resident's rights, safety, reporting, and assisting residents in basic comfort and safety.

NURA 1001-101 Jun 4-Jul 30 M,T,Th 6-9pm HSB 222

Certified Nurse Aide Clinical 40 Hours, 4 CEU's

Students are assigned 40 hours of practice in a long- term care facility. They will sit their final exam (with Pearson Vue). They are responsible for registering with Pearson Vue for their exam.

NURA 2005-102 Aug 11-19 6am-6pm (times will vary)

Understanding Family Violence

30 Hours, 3.0 CEU's

This course provides general information for understanding family violence to promote healthy relationships among families.

Instructor: Belinda Glover

PSYT 1007-101 Jun 4-28 TTh 5-7pm GWH 121 $75

Medication Aide Renewal

7 Hours, 0.7 CEU's

This program consists of the following class:

Professional Development: Medication Aid 7 Hours, .7 CEU's

Intensive training to meet continuing education and/or review requirements for professional licensure or certification.

Instructor: Gavyn Thomas, R. Ph.

NURA 1041-101 May 18 F 9am-4pm GWH 129N $69

*Students must bring a lunch to work through the day.

Computer Technology

QuickBooks Level I 12 Hours, 1.2 CEU's

Learn to create a QuickBooks company file set up, invoices, estimates and purchase orders; manage accounts payables and receivables; and bank accounts. Instructor: L. Long.

ITSC 1022-103 Jun 4-14 MTh 6-9pm GWH 126 $99

QuickBooks Level II 12 Hours, 1.2 CEU's

Learn to customize templates and reports and graphs; balance credit card accounts; set up a payroll system. Learn to use Quickbooks® for online banking transactions. Instructor: L. Long.

ITSC 1043-104 Jun 25-July 5 MTh 6-9pm GWH 126 $99

Professional Development

Professional Office Skills

Bookkeeping 16 Hours, 1.6 CEU's

Learn the basics of bookkeeping and terminology. This class is for students with no knowledge of bookkeeping and will give them general working knowledge of bookkeeping. Instructor: D. Rich

ACNT 1001-101 Jun 9-16 Sa 8am-5pm GWH 121 $112

Transportation

Truck Driving Program – Transportation Operator/Professional Truck Driver

160 Hours, 16 CEU's

This program includes lecture and behind-the-wheel instruction, and employment screening to help qualify trained drivers. Students will demonstrate various maneuvers in traffic situations; and also operate a tractor-trailer combination.

For more information, call the OC Truck Driver School Office at (432) 580-0860.

Adult Education AND Literacy Pathways

IMAGINE yourself at ODESSA COLLEGE

Instruction is geared for students to pass the TxCHSE test (formerly GED), which covers reading/writing, science, social studies, and math.

A second pathway is available as a transition program for students who test at a 9th to 12th grade level on the national exam. Also, students interested in gaining employment skills can enroll in a skills class offered through the AEL program - free of charge to Adult Education and Literacy students who meet the requirements.

For more information, contact the
OC Transitional Learning Center
(432) 335-6380
201 W. University Blvd,
Deaderick Hall, Room 106

Register at the Wrangler Express Center, located at the Saulsbury Campus Center

19 and older: Bring your Social Security Card and Picture ID, or Driver's License to register.

18 year olds: Bring your Social Security Card and Picture ID/Driver's License AND an Official Withdrawal Form from the last Public/Private/or Home School you attended.

17 year olds – Bring the following:
- Copy of Social Security Card ID or Picture ID
- Birth Certificate
- Parent/Legal Guardian Permission Letter
- Copy of parent's State ID or Driver's License
- Official Withdrawal Form from the last Public/Private/or Home School you attended.

You must be present ALL days of TESTING AND ORIENTATION.

TSI Prep for ESL Students

Registration: July 23-25
Deaderick Hall, Room 106, 8 am-5 pm

Assessments/Orientation:
July 26 – Deaderick Hall, Room 106
9 am-3:30 pm

Classes: July 30-Aug 17
Deaderick Hall, Room 214, 9 am-3:30 pm
(1/2-hour lunch), Monday through Thursday

Required: Photo ID, TSI Scores, interest in attending college, (if under 19, High School Diploma) Social Security Card *(if one has been issued to you)*

Class will provide instruction and practice in:
Speaking/Listening in English, Reading/Language, Writing, Math.

Classes are free for eligible English Language Learners. It is an intensive program for those interested in attending college.

Microsoft Office Suites Classes

Registration: July 30-Aug 2
Deaderick Hall, Room 106
5-8:30 pm

Assessments: Aug 6-9
Aug 13-15

Orientation: Aug 16

Classes: Aug 20

Schedule:

Language Skills, Workforce Activities
Monday, Wednesday: 6-9 pm

Computer Skills Training
Tuesday, Thursday: 6-9 pm
Deaderick Hall, Room 107/203

TxCHSE TSI Boot Camp

TSI Boot Camp is for students who graduated high school and did not pass the TSI Assessment. Students will focus on strengthening skills in Math or Reading in order to be able to pass the TSI.

Math July 16 - 26
Reading July 30 - August 9

The classes are Monday through Thursday from 9am until 4pm

Classes are FREE. Students need to have graduated high school. They need ID, SSC (or OCID), and a copy of their TSI scores.

ODESSA COLLEGE
REGISTRATION
For more information call
(432) 335-6580

Adult Education AND Literacy

English as a Second Language (ESL)

The Odessa College ESL program is designed to assist adults who want to learn the English language at no cost to the student.

The OC ESL program is unique because students are assigned to a class with others who are at the same level of English-speaking abilities. Students are placed into classes based on two tests administered prior to their enrollment. The tests assess both English speaking and written language skills.

Every student takes both tests in order to determine the class level in which the student will be placed. There are six distinct levels of English instruction in this program, and once the student has mastered the requirements for their current level, they will advance to the next level. In order to register, students must visit or call the Transitional Learning Center and schedule an appointment for testing. Students interested in enrolling must register themselves.

In addition to the ESL program, OC also offers developed integrated education and training programs (IET). This allows English Language Learners to learn employable skills while being supported in English language learning for that skill. Several programs have been selected for students to participate in.

For information or to register, please call
(432) 335-6380
Transitional Learning Center
201 West University Blvd.,
Deaderick Hall, Room 106.

Registration and Testing Requirements:
An official form of identification MUST be brought with you on the day you schedule Oral Testing.

Accepted forms of ID:
- State/Federal Picture ID/Driver's License
- Passport/Immigration Card
- Some form of ID with a picture on it

Social Security Card:
If you have a Social Security Card, please bring it with you to Oral Testing. If you registered for our program before with a Social Security Card, you need to bring it with you. Both Oral and Literacy testing must be completed before attending classes.

Due to the high demand of the program, testing DOES NOT guarantee a seat in class.

Fall Semester ESL Classes
Fall Registration: July 30-Aug 2
Assessments: Aug 6-9 and Aug 13-15
Orientation: Aug 16 and Aug 20

ESL Classes – Aug 21-Dec 12
(Holidays: Sept 3, Nov 21-23)

ESL Civics: Mondays – Noon-2 pm
ESL Math: Tuesdays/Thursdays – Noon-2 pm
ESL Science: Wednesdays – Noon-2 pm
Computer Literacy: Tuesday, Wednesday, Thursday – 12:30 - 2:30 pm
ESL TSI Prep: Friday – 9 am-3:30 pm

El programa de ESL esta diseñado para asistir a los adultos que quieren aprender inglés.

Nuestro programa es único porque asignamos a los estudiantes a clases donde hay estudiantes con las mismas habilidades de hablar inglés. Esto lo hacemos con pruebas antes de que estudiantes entren al programa.

Dos pruebas se le darán al estudiante para asesorar en cuál nivel está el estudiante. Las pruebas son orales y escritas. El estudiante avanzará de nivel cuando haya demostrado todos los requisitos de ese nivel. Hay seis niveles distintos de instrucción de inglés para completar este programa. No hay costo para matricularse en estas clases de inglés. La persona que se va registrar en el programa debe venir a nuestra oficina y sacar una cita.

El programa de ESL también ofrece un programa de entrenamiento (IET). Este programa ayuda a los estudiantes de inglés como segunda idioma a aprender una habilidad de trabajo y habilidades para obtener un trabajo. Varios programas se han selecionado para los estudiantes. Si usted está interesado, por favor pregúntenos.

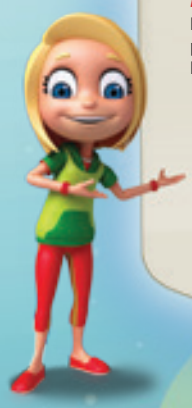
Cash, Check or Credit Card Accepted

Don't wait until it's too late!
Early Registration ends the Monday prior to Camp start date!
Late Registration is an additional $15.

Receive a 25% discount when you register additional children within the same family/household.

Refund Policy: Requests for full refunds must be made at least 3 business days prior to camp/swim lesson start date.



ODESSA COLLEGE REGISTRATION

Registration for Continuing Education is ongoing until the start of class. Early registration, however, is recommended as classes do fill quickly.

Of course, we can help you!

Call (432) 335-6580

Refund Policy

For classes cancelled by the college, the college will refund 100 percent. For withdrawals, the college will refund 100 percent if Drop Form is received up to three business days prior to class/program start.

Additionally, for classes/programs meeting 65 hours or more, the college will refund 75 percent if the Drop Form is received less than three business days prior to class start and prior to the 3rd class meeting.

No refunds will be given thereafter. Students may withdraw from a class by completing and signing the Drop portion of the Registration Form and delivering it to the CE Office in person, by email, or by FAX.

Payment Plans

Payment plans are currently available for the following programs: Dental Assistant, Massage Therapy, Medical Office Skills, Phlebotomy Technician and Electrical Lineman. Persons who enroll in both HVAC classes are also eligible to participate. An initial 25 percent of the program tuition is due at the time of registration, along with a onetime, nonrefundable enrollment fee of $25.

Please contact the Cashier's Office at (432) 335-6419 for more information.

Senior Citizen Discount

If you are 55 years of age or older, you may qualify for a Senior Citizens Discount. Discounts are available for many of our personal enrichment classes offered through Community Services.
