  - Use government guidelines to develop a plan for healthy nutrition, exercise, and sleep
  - Discuss information about stress and practice relaxation exercises
  - List the steps for making positive changes in life
- Health

### Method of Evaluation:

Your grade will be determined by the following assignments and activities:

Culminating: 30%

Assignments: 30%

Attendance/Engagement: 40%

Possible Extra Credit (TBD): no more than 10%

I will provide grades or scores and comments on assignments within 6 days of the date they are submitted.

90-100 = A

80-89 = B

70-79 = C

60-69 = D

59 or below = F

**Important:** Late work is heavily penalized. If you miss a class, it is your responsibility to stay current on readings and/or assignments BEFORE the next class. Assignments are listed in the syllabus. You can contact me by email if you have any questions.

**Drop Policy:** Students cannot drop COLL 0171 since it is an institutional requirement.

### Academic Dishonesty:

You are expected to do your own work. The first instance is a warning; the second instance will result in a failing grade for the course. When you submit a piece of writing that bears your name as author, you are claiming that all the words and ideas in that work are yours unless otherwise noted. Failure to identify and document other sources of information that reside within that piece of writing constitutes academic dishonesty.

### Statement of Special Accommodations:

Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call or email the Office of Disability services at 432-335-6861 or [brivera@odessa.edu](mailto:brivera@odessa.edu) to request assistance or accommodations.

### Learning Resource Center (Library)

The Library, known as the Learning Resources Center, provides research assistance via the LRC's catalog and databases. Research guides covering specific subject areas, tutorials, and the "Ask a Librarian" service provide additional help.
