Encouragement

I very much want you to succeed in this class, and I know that you can do it. I have high expectations for my students and set high standards. I want to help you develop analytical reading skills, your critical thinking skills, and to continue to develop your ability to clearly articulate your ideas. This will serve you not only in this and other classes but in your personal and professional development as well. If you have any questions, I encourage you to contact me during my office hours. If you cannot meet during that time, I will be happy to arrange a more convenient time. I look forward to a fun, interesting, and productive semester.

Computer Access

You need to have regular access to a computer for this class:

Internet - You need to have dependable access to the internet.

Word Processor - All assignments should be typed, saved to your computer, and then submitted to Blackboard. If you don't have Word, most computers come with Works already loaded. Make sure to save documents in Rich Text Format. Some alternative word processors are the one on GoogleDocs or the free word processor available at www.openoffice.org.

Blackboard - You are responsible for any materials that can be found in our Blackboard course.

Odessa College email - When I send messages and reminders, they will go to this email. You are responsible for any information sent to your OC email.

Powerpoint - You can open Powerpoints in Blackboard. Here is a link for a free Powerpoint Viewer: <http://www.microsoft.com/downloads/details.aspx?familyid=048dc840-14e1-467d-8dca-19d2a8fd7485&displaylang=en>.

Adobe Reader - If you don't have this already, you can download the reader for free at <http://www.adobe.com/>.

Even if you do not own a computer, you do have access to computers and printers in the Student Success Center on campus. Not having computer or printer access is not a valid excuse for failing to complete assignments on time.

Classroom Behavior

I expect you to be respectful towards other students and myself during class and in any online interactions such as discussion forums or on email. When a person, whether it is me or another student, is speaking, please do not interrupt them or hold conversations about topics that are not relevant to this class. I do want you to make comments, to ask questions, and to raise class concerns, and I will give you opportunities to do so. Also, if I have given you an individual or group assignment in class, I expect you to work on it for the allotted time. We will have periodic group and class discussions, and I expect you to be respectful toward your classmates at all times.

If behavior occurs that violates this policy, I will ask the student(s) to correct the behavior. If I have to do this more than a couple times during the semester, or if the student refuses to correct the behavior at the time I ask, I will give the student an official warning, ask him or her to leave the class, and he or she will be counted absent and receive a zero for any activities done that day, even if those activities have already been concluded. This warning will be made in class, and I will also send a copy to the student and appropriate administrators.

- If a student interrupts me or another student who is contributing to class discussion
- If students are holding conversations about material that is not relevant to class
- If a student is rude, belligerent, or otherwise disruptive
- If a student has out non-course materials after I have announced the beginning of class
- If a student submits any disruptive, inappropriate, or offensive posts in the online class forums

If you violate any aspect of the classroom behavior policy again after the warning, or if there is any case of very disruptive or disrespectful behavior, the same penalties will be given (counted absent, grades for the day forfeited), and I will consult the Dean of Arts and Science about further disciplinary action.

If you have questions or concerns regarding an issue that concerns the whole class, such as a question about assignment instructions, please ask. If you have questions or concerns regarding an issue that pertains only to you, such as a question about a grade on one of your papers, please discuss that with me during office hours or some other arranged time.

Non-Course Materials

I ask that you only have course materials out during class time, even if you have completed class work early. Non-course materials include other books (unless we are working with research materials for this class), other publications, planners, puzzles, etc. Electronic devices (computers, PDAs, cell phones, games, etc) should be turned off and put away when class begins. If I have given you time to work on the computers, either writing or doing research, only programs immediately relevant to the assignment should be open on your computer. If you need a device because of a disability, please bring me the proper documentation (see ADA Policy below). You will be subject to the Class Behavior policy (see above) if you have out non-course materials during class time.

Attendance

Regular attendance is critical for your success in this class. If you are ill or have an emergency that causes you to miss class, please let me know the nature of your problem. More than four absences may cause a grade reduction. More than ten absences will cause an F in the course. I count three instances of arriving late or leaving early as one absence.

It is YOUR responsibility to get class material you have missed when you were absent. You may ask me or a classmate for the information.

Withdrawing from Class

November 9th is the last day you will be able to withdraw from a class with an automatic W. After that, you will receive the grade you currently have in the class. **Please come by and talk to me if you are considering withdrawing or dropping this class. More often than not we can find a resolution for your concerns.**

Assignments

Assignments due dates are outlined on your class schedule. You will need to submit a hard copy of the assignment and turn it in on Blackboard on this date. Your final grade will be determined by the average of 5 essays, daily activities and quizzes, and a final exam. In class activities cannot be made up; however, I will drop three of these grades.

If you are absent on the day an assignment is due and you have legitimate, serious documentation, please include this when you turn in your assignment. Otherwise, you will lose 10 points for every day your assignment is late. Please contact me as soon as possible if you have any questions or cannot turn in an assignment on time. If you know you will be absent on a due date ahead of time, contact me as soon as possible to make arrangements.

Plagiarism

I have zero tolerance for plagiarism. Plagiarism is turning in work that you claim to be your own that is actually from another source. Give credit where credit is due and document your sources correctly. If you are caught plagiarizing, you will receive a zero on the assignment. If you are caught plagiarizing a second time, you will receive an F in the course. Additionally, this incident will be reported to the appropriate administrators. Plagiarism is simply not worth it. If you need help documenting a source, let me know. I am more than happy to help you.
