

Math 1316.12
Trigonometry – Lecture Based
Fall 2011
08/22/11 – 12/10/2011

Instructor: Debra Lackey
Office: ET 114
Phone: 335-6360
E-mail: dlackey@odessa.edu -- This is the best mode for contacting me.
Class : ET 109

Welcome to plane trigonometry! This course information will tell you about the course. Almost all of your questions can be answered by reading this sheet. If you still have questions after reading over this information, please contact me! I would be glad to clarify anything for you! Good luck!

Course Description

MATH 1316 Plane Trigonometry (27.0101.5319) (3-0) 3 hours
Presents trigonometric functions, formulas, solutions of right triangles and applications, variations of functions with changes in angles, trigonometric equations, identities, solutions of oblique triangles and applications, logarithmic functions, inverse functions and complex numbers. The student will learn to select appropriate mathematical techniques and technologies and use skills in information organizing, processing, planning and problem solving. The student should be able to probe for mathematical meaning and, perhaps, describe these meanings to others. (SCANS 3, 8, 9, 11)
Prerequisite or corequisite: MATH 1314 passed with a C or better or equivalent competency, or an independent school district/OC dual enrollment form.

Scans

3, 8, 9, 11

Course Objectives

After completing this course, the student should be able to demonstrate competency in:

- 1.0 The basic trigonometric functions in terms of angles and right triangles using degree measure.
- 2.0 The basic trigonometric functions in terms of circular functions and their graphs using radian measure.
- 3.0 Trigonometric identities.
- 4.0 Inverse trigonometric functions, trigonometric equations, oblique triangles, vectors and complex numbers.
- 5.0 Topics from analytic geometry, including conic sections, rotation of axes, parametric equations, and the use of polar coordinates.

Required Materials

Required Textbook: *Trigonometry* by McKeague, 6 Edition, Brooks/Cole Cengage Learning
Materials: Scientific Calculator

Graphing paper (optional)

Attendance:

Attendance is mandatory in order to succeed in this class.

Punctuality:

Be on time for class. Class will start on time.

Courteous:

Please be courteous. Be considerate of others.

Term Grade

Your term grade will be determined according to the following distribution:

	Homework	Quizzes	Exams 7-8	Final Exam
Percentage	10%	20%	50%	20%
Drops	0	0	0	0

Percentage (%)	Grade
90-100	A
80-89.9	B
70-79.9	C
60-69.9	D
Below 60	F

Homework

Homework will be assigned for each section. The homework is due the next class period. All homework should be done in PENCIL. ALL WORK SHOULD BE DONE IN PENCIL.

Quizzes

Quizzes will generally be given near the end of class. There will generally be at least one quiz per week.

Communication

Communication plays a vital role in a student's success. .

Exams

Exams are generally given at the end of each chapter.

Dropping

The last day to drop a course at Odessa College for the fall session is November 9.

Tutoring

Tutoring is available through Developmental Studies and in the OC Math Lab. The hours for the math lab are Mon-Thurs 8:00 AM – 9:30 PM and Fri 8:00 AM – 1:00 PM. The OC Math Lab is sometimes open on weekends in the afternoons.

Special Needs

Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability services at 432-335-6861 to request assistance and accommodations.

Learning Resource Center (The Library)

The Library, known as the Learning Resources Center, provides research assistance via the LRC's catalog (print books, videos, e-books) and databases (journal and magazine articles). Research guides covering specific subject areas, tutorials, and the "Ask a Librarian" service provide additional help.

Student Email

Please access your [Odessa College Student E-mail](#), by following the link to either set up or update your account: <http://www.odessa.edu/gmail/>. **All assignments or correspondence will be submitted using your Odessa College email.**

Technical Support

For Blackboard username and password help and for help accessing your online course availability and student email account contact the Student Success Center at 432-335-6878 or online at https://www.odessa.edu/dept/ssc/helpdesk_form.htm.

Important School Policies

For information regarding student support services, academic dishonesty, disciplinary actions, special accommodations, or students' and instructors' right to academic freedom can be found in the Odessa College Student Handbook.

The test dates are tentative.

Chapter	Suggested Date
1	9/6 (Thursday)
2	9/20 (Tuesday)
3	10/4 (Tuesday)
4	10/20 (Tuesday)
5,6	11/10 (Tuesday)
7,8	12/01 (Thursday)
Final	12/8 (Thursday) at 8:00 AM-10:20 AM
