Please bring them to class with you.

Attendance: Your Attendance is the greatest indicator of YOUR success. Student attendance at every class is expected. You should expect that each absence would adversely affect your course grade. This is a developmental course and state law requires class attendance. You are allowed 7 missed class days. On the 8th absent you will be given an **F** for the course.

Tardiness: Tardies are not accepted. When you come in tardy you are disturbing the learning process. Please be on time. Once I have finished start of class business, I will shut the door. Please do not enter the classroom once the door is shut without prior approval. You may stay out in the hall and listen or go down to the lab to work on your assignment. I do not want the class disturbed once I start teaching.

Communication

Communication plays a vital role in an online student's success. Communication methods for this course include announcements, email, and discussion boards. You are required to participate in the discussion boards. Each student should submit 15 meaningful threads in the discussion boards. These can either be new discussions, or they can be replies to other discussion. You will earn credit for meaningful posts to the discussion boards through May 9th. Idle chitchat and non-meaningful posts will not count towards your grade. Any emails I receive will be answered within 2 business days.

Math Lab: You are required to attend the Math lab for a total of 14 hours in the semester. Do not wait until the last of the semester. You can receive a maximum of 3 hours credit a week. If you do not attend the lab, it will affect your grade and can even result in a failing grade.

Monday – Thursday: 8:30 am – 8:30 pm

Friday: 8:30 am – 1:00 pm

Sunday: 1:00 pm – 5:00 pm at the Student Success Center

Cell Phones: Cell phones and pagers are not allowed in my class. If you must have a cell phone on please turn it to silent. Do not answer in class. You need to wait until I have finished lecturing and then go out in the hall to respond to the call.

Cheating: Cheating is not tolerated in my class. Cheating also includes copying answers out of the back of the book. All work must be shown on homework paper that is turned in. Any homework turned in that shows only answers will receive a 0. The 1st time you are caught cheating on a paper, homework, assignment, or test, you will receive a 0 for that assignment. The 2nd time you are caught cheating, you will be removed from my class permanently and receive an F for the course. If you are caught letting someone copy your paper, you will receive the same punishment.
