**SPECIAL NEEDS:** Odessa College complies with Section 504 of the Vocational Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990. If you have any special needs or issues pertaining to your access to and participation in this or any other class at Odessa College, please feel free to contact me to discuss your concerns. You may also call the Office of Disability Services at 335-6861 to request assistance and accommodations.

**CELL PHONES:** Cell phones and mobile devices are to remain off or in silent mode so as not to disturb classroom procedures. As much of this course involves guided listening,

it is imperative that students are given every opportunity to listen without distraction. Engaging in calls, texting or any other activity deemed distracting by the Instructor will result in a lowering of the Daily Grade. Continued disregard for the Cell Phone Policy as described will result in lowering of the Final Grade by one letter for each occurrence. Use of cell phones or other technology for academic dishonesty will not be tolerated.

**ATTENDANCE:** Attendance in class is mandatory. The quickened pace of instruction and overwhelming amount of information covered in each class mandates that students be present for each instructional period. Attendance will be taken at the beginning of each class, and will be reflected in each student's Daily Grade. Absence from class equals a Zero for that particular Daily Grade unless the absence is excused. Absences will be deemed "Excused" on a case-by-case basis and is at the sole discretion of the Instructor. Excessive absences may result in a grade of Incomplete or course failure.
