Course Objectives

Upon completion of this course, students should be able to:

To demonstrate competency in the ability to understand and put into practice the techniques of various dance styles, the student must be able to:

- Recognize the basic principles of jazz, pom, hip-hop, kick, and contemporary dance styles and techniques.
- Demonstrate knowledge of precaution that should be taken while performing the various dance exercises.
- Development of dance technique, alignment, flexibility, strength, stamina, centering and transference of body weight.

To demonstrate competency in the ability to maintain and improve flexibility, endurance and strength, the student must be able to:

- Improvement of movement memory: ability to pick up movements faster and remember them longer.
- Improvement of musicality/timing in dance: learning about rhythm, tempo, meter, and phrasing to develop rhythmic skills in dance.
- Improvement of neuromuscular coordination: precise control and placement of body parts.

To demonstrate competency in knowledge of how dance can enhance general well-being and health, the student must be able to:

- Development of dynamic qualities of movement required for clarity, focus, and expressiveness.
- Integration of critical thinking skills through reading and written assignments that will enhance experiential concepts.

Expected Student Behaviors:

It is expected that the students in the course will demonstrate dedication to the sport and adherence to policies set forth by the athletic administration and coach. Dismissal from the class will be warranted by failure on the part of the student to adhere to the policies set forth by either entity.

Course Requirements (Lectures, Assignments and Assessments)

You must be suited out for every class. This includes wearing the proper cheer attire, having the appropriate shoes, and having hair pulled back.

Grading will be based primarily upon attendance and participation. Students will average over 200 hours in participation in the course, well beyond the normal 45 hours associated with a typical activity class. Irregular attendance and/or poor performance of tactical or technical aspects of the sport will lead to a poor grade/dismissal from the course. Individuals who cease participation in the course will receive a passing grade only if they have participated in a minimum of 45 hours of organized class activity.

- A: Participated in 90% - 100% of all activity and demonstrated competency in skills and strategies related to the sport.
- B: Participated in 80% – 90% of all activity and demonstrated competency in skills and strategies related to the sport.
- C: Participated in 45 hours of all activity and demonstrated competency in skills and strategies related to the sport.
- F: Participated in less than 45 hours of activity and demonstrated competency in skills and strategies related to the sport.
