CLASS ATTENDANCE POLICY

THIS IS NOT A SELF-PACED COURSE! This is a web-enhanced course with scheduled quizzes/assignments. Thus, you should use self-discipline to be efficient with this class, pay attention to the calendar, and take notes over the material.

It is expected that you log-on to the course every week. **You will receive an absence for each week that you do not access the course online and complete the Discussion Board. Your final grade will be dropped 1 letter grade after each consecutive 3 absences.** You should expect that each absence will adversely affect your course grade. The only excused absences that I will accept are college-sponsored activities and medical emergencies (must show proof). It is your responsibility to complete assignments by the scheduled date.

Assignments: This course will be web-enhanced through OC's Blackboard (www.odessa.edu .) Material is presented primarily from readings assignments from the 8 chapters of the text. All assignments posted in the course are expected to be completed in Word document format and submitted in the assignment as an attachment. **Do not email assignments and exercise logs to my email address. All assignments must be submitted in Blackboard.** This will allow for the student and instructor to see if the assignment was posted and for viewing of instructor comments.

Assessments: **Mandatory attendance is required for this section of the course.** Please look for the posted dates in Blackboard and/or on the Physical & Health Education department website (<http://www.odessa.edu/dept/phed/>). **Your final grade will drop 1 letter grade for not attending a post-assessment scheduled by the instructor.**

Activity: **You will accumulate a minimum of 168 points (or 42 hours) of activity throughout the semester by averaging a minimum of 3-4 hours per week. ONLY 1 hour per day will count towards your grade.**

Physical activity such as walking and jogging on a surface or a machine can be counted towards your activity points just as long as it exercise activity, not your daily physical requirements (jobs,

parenting, etc...) The Odessa College Sports Center is a fabulous facility to exercise (<http://www.wranglersports.com/fac-serv/facilities/>). I strongly encourage you to exercise at our facility. However, I do allow students to complete at other locations. All physical activity information must be recorded and turned in weekly.

- **Current Odessa College ID is required to enter the sports center.**
