### **Policies and Procedures:**

**Checking in to the Course** – students are required to check in to the course at least 3 times each week. The course entry page is the Announcements page. Student should also check their OC email accounts and the General Discussion at least 3 times each week. You should read all posts there.

**Submitting assignments** – writing assignments will be prepared in word processing documents and save in files that are submitted on the assignments page. All documents should be double spaced and have your name of them. You should also conduct a spell – check on all assignments. Save a copy of all assignments on a flash drive.

### **Attendance policy:**

Please note that if you fail to check into the course (General Course Discussion board under Communication button) at least 3 times each week, 10 points will be deducted from your final grade!

### **Communication Policies:**

Students should use the **General Course Discussion board** for all communication related to the course. This includes questions, comments, and requests for clarification. Please note, however, if the answer to a student question is to be found within the course web site, she will be returned to the site to continue to look for the answer to the question.

Students must put their names and SOCI/PSYC 2306 on all emails; if an email without this information is sent it will be returned to the sender. Weekly emails to students inform you of the week's assignments

If you email the instructor, she will respond in a very timely manner. You are expected to acknowledge her reply and indicate that she has addressed your concern. You should therefore check email for a response if you sent the instructor an email.

Do not use texting style of communication/writing in group discussion and in Writing Assignments. This is a college class, and academic writing is expected.

### **Late Submission Policy:**

Late work is not accepted except under special circumstances. Acceptance of late work is up to the instructor's discretion. If you feel you have a unique situation/circumstance that prohibits your meeting a deadline, you should communicate it to me privately via email. Students are strongly encouraged to communicate any problems to the instructor in a timely manner.

### **Incomplete Policy:**

A grade of "Incomplete" may be given only if (1) the student has passed all work completed, and (2) he/she has completed a minimum of 75% of the required coursework. A grade of "I" will only be assigned when the conditions for completions have been discussed and agreed upon by the instructor and the student. A contract between student and instructor must be signed.

### **Instructor Response Time:**

The instructor will respond to emails and bulletin board posts with 24 – 48 hours of receiving them. If she will be unavailable for any length of time for any reason, she will post such a message in the announcements area and on the general Discussion Board.

### **Statement of Academic Dishonesty:**

Ethics, Cheating and Plagiarism "Using someone else's ideas or phrasing and representing those ideas or phrasing as our own, either on purpose or through carelessness, is a serious offense known as plagiarism. "Ideas or phrasing" includes written or spoken material, of course, from whole papers and paragraphs to sentences, and, indeed, phrases. but it also includes statistics, lab results, art work, etc. "Someone else" can mean a professional source, such as a published writer or critic in a book, magazine, encyclopedia, or journal; an electronic resource such as material we discover on the World Wide Web; another student at our school or anywhere else; a paper-writing "service" (online or otherwise), which offers to sell written papers for a fee."

(Statement taken from <http://webster.commnet.edu/mla/plagiarism.shtml> )

I do not tolerate cheating in any form. If you plagiarize copy, cut and paste an essay, or cheat on an exam once, that assignment will receive a "0." If you plagiarize or cheat the second time, you will receive an "F" in the course.

Cutting and pasting any information from any Internet source is considered cyber plagiarism and will result on a 0 for the first offense and an F in the course for any subsequent offenses.

See the section on "Scholastic Dishonesty" in the updated Odessa College *Student Handbook*.

### **Preparation for Computer Emergencies**

#### **Computer Crash**

Not having a working computer or a crashed computer during the semester will NOT be considered as an acceptable reason for not completing course activities at a scheduled time. NOTE: Identify a second computer that you can use when/if your personal computer crashes.

#### **Server problems**

When the Blackboard server needs downtime for maintenance, the Blackboard administrator will post an announcement in your course informing the time and the date. If the server experiences unforeseen problems your course instructor will send an email.

#### **Complete Loss of Contact**

If you lose contact with me completely (i.e. you cannot contact me via Blackboard or email), you need to call me at my office, 335-6555, and explain the reason you cannot contact me and leave me a way to contact you.

#### **Lost/Corrupt/Disappeared files**

You must keep/save a copy of every project/assignment on an external disk or personal computer. In the event of any kind of failure (e.g., Blackboard server crash or virus infection, students own computer crashes, loss of files in cyberspace, etc) or any contradictions/problems, I may/will request you to resubmit the files. In other words, if you submit a document to me, and I either do not receive it (lost in cyberspace) or it is corrupted when I open it, it is incumbent upon you to resend it to me, corrected, with little or no "downtime" in regard to the timeline for submission.
