Course Objective: This survey course in United States history is designed to provide the student with a working knowledge of the history of our nation. This knowledge should enable the student to become a better informed and participating citizen of the country. The class is designed to provide the student with the opportunity to earn college credit for a course in United States history when circumstances prevent the student from attending a more traditional Odessa College course.

Course Requirements: Four (4) Exams

All exams will be taken on the Odessa College campus at a time and place arranged by the professor. If a student, without making prior arrangements with the professor, fails to take the unit examinations by the established date, the course grade of (F) is automatically given.
