...Apart from inquiry, apart from the praxis, individuals cannot be truly human. Knowledge emerges only through invention and re-invention, through the restless, impatient, continuing, hopeful inquiry human beings pursue in the world, with the world, and with each other.

P. Freire, *Pedagogy of the Oppressed*

An ounce of experience is better than a ton of theory simply because it is only in experience that any theory has vital and verifiable significance. An experience, a very humble experience, is capable of generating and carrying any amount of theory (or intellectual content), but a theory apart from an experience cannot be definitely grasped even as theory.

J. Dewey, *Democracy and Education*

Course Information

Course Credits: 3 hours

In this course, students learn to apply oral communication skills toward a specified audience. Organization of ideas, the persuasion process, and audience analysis are components of the course objectives. The student will demonstrate these objectives through prepared messages using appropriate verbal and nonverbal techniques.

Prerequisites: None

Scans: 5, 6, 9, 10, 11

Learning Outcomes:

- Students will learn core concepts of professional speech.
- Students will demonstrate their knowledge of public speaking.
- Students will evaluate communication skills used in speaking.
- Students will learn skills to improve their ability to listen.

Course Objectives:

- Employ the terms and concepts used to understand the process of public speaking
- Analyze audiences in multiple settings and craft communication according to your assessments
- Critically listen to and read public communication

- Research, compose, and present clearer, more comprehensive, and more persuasive arguments that are responsive in various situations and to diverse public audiences
- Evaluate the effectiveness of different tactics used in public discourse; and
- Critically reflect on your own presentational style and content

Essentially, the primary focus of this course is developing well-reasoned arguments with good evidence and effectively communicating those arguments. In other words, a great performance is meaningless if there's no substance to the content.

Required Materials:

Course Text: *The Art of Public Speaking, 10th edition*, Stephen E. Lucas
The student CD that accompanies book is not required. It is optional.

Email: Students enrolled in Odessa College must use an Odessa College email address. I will only contact you at your OC email account so you need to check your student email at least three times a week. Go to <http://www.odessa.edu> and click on **Student Email** to set up your email account. You should contact 335-MORE if you are not able to log on using the instructions provided or if you experience any issues with your OC email account.

Access to Odessa College Library Online Catalog <http://www.odessa.edu/dept/library/>

Access to Blackboard: <https://blackboard.odessa.edu/webapps/login/>

Access to Videotaping/Recording devices (preferably ones that can be connected to a computer to create a digital file)

Access to YouTube: www.youtube.com

Technical Support: If you need help learning how to access the OC Portal or any of the above sites, or have issues logging into BlackBoard, WebAdvisor or your student email, please call 335-MORE.

Videotaping/Recording Speeches:

There are several different devices available that will allow you to create a digital file of your recording: your computer's camera, Flip cameras, digital cameras, and in a pinch, most higher-end cell phones/PDAs. When recording your speeches, your audience **must** be easily seen (see link in Wk 5 for more information). It is best to position any recording device behind your audience members. Once you have recorded your speech, you will need to upload the speech to YouTube for grading. **Please see more detailed instructions for uploading digital files to YouTube on Blackboard under "Course Documents."**

If you do not have access to any such devices, you may record your speech on VHS, VHS-C cassettes, 8 mm-MP or HI 8, DVD's or mini DVD cassettes and mail those to me. (Please indicate on your outline which program you used to record your speech on DVD.) If you do not have access to any of these ways to record the speech, please e-mail me, and we will set up an appointment for you to give your speech to me in person. You will have to arrange for at least two people to accompany you to my office. These people will also listen attentively to your speech

Note: If using a video cassette tape, please **do not send your speech on a tape that contains other special moments such as graduation or your child's first time to walk**, as you may not get the tape back! Use a **new blank** tape and record at the **beginning** of the tape. Be sure and rewind the tape so that it is ready for me to view. You will mail tapes/DVDs to Dr. Irene Grau, Odessa College, 201 W. University, Box 41, Odessa TX 79764. The package **must be postmarked** no later than the actual due date to avoid late penalties.

Tips for video files or tapes:

Be sure and watch the recorded speech to determine if you can **see and hear** the speech **clearly** before uploading or mailing it. If using a video cassette, rewind the speech so that it is at the **beginning** of the tape. You must tape it at the beginning of the tape so that it is easy for me to find in case you forget to rewind it. I have had speeches taped somewhere in the middle of long segments of other family events. I wish I had time to search for your speech, but I do not so if I cannot find the speech on the tape immediately, the grade will reflect your ability to follow these instructions. Please also make sure to have the envelope weighed so that proper postage is applied, otherwise the tape will be returned to you several weeks later, which may negatively affect your final grade.

Note: If you experience a problem while taking a quiz or test, please e-mail me and explain what happened. Read Chapter 5, 15 & 11	Reading	Read about Analyzing the Audience; Speaking to Persuade; Using Language.	11-16-11
Worksheet	Homework	Download, complete, and upload Persuasive Speech Preparation worksheet located in <Assignments>	11-17-11
Worksheet	Homework	Download, complete and upload Audience Analysis and Audience Adaptation worksheets located under <Assignments> Think about the audience who you have selected to hear your speech. For example, ask yourself "Do they wear seatbelts?" If every person in the audience already wears a seatbelt, then you would not want to persuade the audience to wear seatbelts. You may need to do research and call the audience member to ask about their behavior. Another example for a topic is smoking. If no one in your audience smokes, then do not take their time to persuade them to stop smoking. Make the time that they listen valuable to them. Select a topic that might persuade them to agree with your opinion and, more importantly, change their behavior.	11-17-11

Researching a visual aid	Homework	Think about your persuasive topic, keeping in mind that a visual is required when you deliver the speech. Keep in mind that statistics are persuasive. What statistic is related to your speech that would persuade the audience to your point of view? Research how to present this information to the audience.	11-23-11
Journal	Homework	Prompt: What visual aid have you chosen? Why? What work does that visual aid do to enhance the speech? Are there other visual aids that might work more effectively? Why or why not?	11-23-11
Statement of credibility	Homework	Compose a statement that you plan to include in your speech in order to enhance your credibility. You should show the audience you're credible by providing evidence of your expertise or the research you have done. Avoid simply <i>telling</i> them you're an expert. In other words, rather than say "I have researched this topic extensively," show them by giving them some information and <i>citing your source</i> .	11-25-11
Outline	Outlining	Type your name, organizational pattern (such as causal order, problem-solution order, or Monroe's motivated sequence, etc) specific purpose, and central idea at the top of the page. Policies and Procedures

Announcements: Read announcements each day. Students are responsible for checking for changes in the syllabus each week as it may be updated when needed.

Methods of instruction: Selected lectures are recorded so that you may download the lectures on an ipod or MP3 player. Selected lectures are videotaped for you to watch.

Course activities/submission and completion policy: I set up my course so that students may work ahead as they have time. Students must complete all the work on the week-by-week dated course schedule. I understand that some students have conflicts or the server goes down and that causes problems. The wise choice is to stay ahead of the assignments so that delays won't cause your work to be late. Having this opportunity allows you to schedule your time so that if conflicts arise at the end of the semester or you need to finish early, you can do that and avoid problems with finishing the course on time. Keep working ahead every chance that you get.

Incomplete policy: I do not grant an incomplete unless you meet the requirements for an incomplete. The course is set up for you to complete it by working ahead at your convenience. You have the opportunity to complete the work during any of the 24 hours a day that are available to get the work done. If you are unable to complete the course, please speak to me as I will consider problems on an individual basis.

Instructor's response time: I will do my best to respond to your e-mails within 48 hours. E-mails sent on Friday, however, may not be read until the following Monday.

Long Term absence policy: If you are absent from the course for more than 2 weeks, please contact me. You will be considered absent unless prior arrangements have been made. As I note that you are completing assignments each week, I also note that you are participating in the class.

Orientation: There is no orientation class that meets in person before the course begins. However, I would be pleased to meet with you during office hours to discuss any questions or concerns you may have.

Semester end course evaluation: Odessa College provides an evaluation process at the end of each semester so that you have an opportunity to evaluate the course.

Academic Honesty: Academic honesty is fundamental to the activities and principles of college. The academic community regards academic dishonesty as an extremely serious matter, with serious consequences. Any effort to gain advantage not given to all students is dishonest whether or not the effort is successful. Any suspicion of academic dishonesty will be reported and investigated. **A student who engages in scholastic dishonesty that includes, but is not limited to cheating, plagiarism, and collusion will receive an F in the course.** All persons involved in academic dishonesty will be disciplined in accordance with Odessa College's regulations and procedures. For complete information on student conduct and discipline procedures, please consult the handbook.
