#### Grading Scale:

"A" = 90-100

"B" = 80-89

"C" = 70-79

"D" = 60-69

"F" = 0-59

#### Grading Policy:

**METHOD OF EVALUATION:** The final grade for the class is based on a combination of shooting assignments, exam grades, participation in the critiques, and the final portfolio. There will be written quizzes and a mid-term exam covering the technical aspects of photography. Your shooting assignments will have two grades. The top one is for the technical aspect (how well the picture is printed) and the bottom grade is for the aesthetic aspect (how well the picture relates to the assignment). Please note that all shooting assignments must be completed. And any late work will automatically be lowered ONE letter grade. That means IF your work is truly "A" quality work, the highest grade you can make if it is late is a "B", which is still preferable to a zero. If your work is average ("C"), then the highest you can make is a "D". If you hand in your work on time, you can redo assignments. We will routinely have class critiques as a way of reviewing and improving work. You will be graded on the work that you are presenting, your presentation, and your active participation in the critiques of other students' works. A portfolio is required at the end of the semester.

**ATTENDANCE POLICY:** YOUR attendance is the single greatest predictor of your success. Student attendance at every class is expected. Four or more absences will result in the lowering of your course grade by one letter. Please see the instructor regarding anticipated absences or conflicts due to college sponsored activities. Again, please note that late assignments will be graded down one letter grade.

Effective Fall Term 2010, student absences will be recorded from the day the class meets. Regular and punctual attendance in all classes and laboratories, day and evening, is required. Students who are absent for any reason should always consult with their instructors. Also, both tardiness and early departure from class may be considered forms of absenteeism. In all cases, students will be held responsible for completion of course requirements covered in their absence. Additionally, it is the student's responsibility to drop a course for nonattendance. Course instructors establish policy with regard to attendance in their respective syllabi and may drop a student for excessive absences. Absences are counted regardless of whether they occur consecutively. Failure to officially withdraw may result in a failing grade for the course. It is the student's responsibility to withdraw officially from a class by submitting a completed Withdrawal Form to the Registrar's Office.

Please understand that this is a required course for the \_\_\_\_\_ program in order to prepare you \_\_\_\_\_ Quality work and active participation is expected and not to be negotiated. As a general policy, grades will be taken in class. Any written assignments or tests will be graded outside of class. You can expect feedback on assignments within a week's time.

↓ Student Course Participation

**COURSE REQUIREMENTS:** Each student must attend mandatory open labs during the stated times for all day time classes. The course will begin with simplistic methods of portraiture evaluating and utilizing the students personal equipment and investigating available light options. Instruction continues in the studio with the operation of studio strobes and methods of lighting for portraiture followed by the introduction of medium format cameras. Students will learn how to write work orders, book appointments and create invoices. Candidates for a Certificate must produce a separate portfolio to demonstrate photo proficiency.

**ACADEMIC ETHICS:** You are expected to create, edit, process and print your own assignments and take tests without notes or other outside assistance. All work is expected to be your own.

**STUDENT ASSISTANCE:** The following resources are available to assist you in successful completion of this course:

A. Student assistants are available in the photo lab during all hours of operation and will assist you with the distribution of equipment and supplies and answer questions.

B. The LRC has one of the largest collections of photographic resource materials in West Texas including periodicals, video and slide/audio tapes and photographic books.

**ATTENDANCE POLICY:** YOUR attendance is the single greatest predictor of your success. Student attendance at every class is expected. Four or more absences will result in the lowering of your course grade by one letter. Please see the instructor regarding anticipated absences or conflicts due to college

sponsored activities. Again, please note that late assignments will be graded down one letter grade. Effective Fall Term 2010, student absences will be recorded from the day the class meets. As a student, I understand that I am responsible for keeping up with the course. To help with this, I will identify alternative computer and internet access in case my primary computer crashes or my internet service is unavailable;

recognize that the college provides free wi-fi and computer labs during regular campus hours to help me with accessing my course; and,

understand that my instructor does not have to accept my technical issues as a legitimate reason for late or missing work if my equipment or service is unreliable.

As a student, I understand that it is my responsibility to communicate quickly with the instructor any issue or emergency that will impact my involvement with or performance in the class. This includes, but is not limited to

getting “kicked off” of the system during tests or quizzes;

having trouble submitting assignments; and

dealing with a traumatic personal event.

As a student, I understand that it is my responsibility to understand course material and requirements and to keep up with the course calendar. While my instructor is available for help and clarification, I will

seek out help from my instructor and/or from tutors;

ask questions if I don't understand; and
